PLEASE READ AND SIGN THE FOLLOWING:

MEMBERS ARE REMINDED THAT around farms, woodlands, lakes, rivers and ponds there are many and various hazards which may be different to those they encounter in their everyday lives, THAT they are at a greater than usual risk of personal injury because of this AND THAT they, and only they, are responsible for their own safety.

IT IS THUS A CONDITION OF MEMBERSHIP that upon entering the Society's lands and waters, until leaving, each and every member personally assesses, in a careful, considered and responsible manner, BOTH the risk to their personal safety and the suitability of their own person to cope with such hazards as they may find and not to continue any further (save retreating to safety) should they come across any hazard, natural or otherwise, that is likely to result in death, injury or damage to themselves or others.

I agree to abide by the rules of the society and accept the conditions of membership.
